DETAILED ACTION

Allowable Subject Matter

1. Claims 1-7 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter: The examiner deems Obradovich (6,525,768) to be the closest prior art of record. Obradovich discloses a combination camera, clock, and GPS device that allows for data pertinent to the location to be downloaded from central servers of such data. However, Obradovich does not disclose or suggest matching up images and GPS data by comparing the relative time stamps of the two devices, assuming they would use separate clocks.

The prior art does not disclose, suggest or teach a method of matching individual recordings in a sequence of recordings with corresponding items in a sequence of auxiliary data items concerning those recordings comprising the steps of time stamping the recordings from one clock, time stamping the auxiliary data items from another clock, and subsequently matching the pattern of time intervals between timestamps of the two sequences thereby to match up the recordings with the auxiliary data items.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James A. Fletcher whose telephone number is (703) 305-3464. The examiner can normally be reached on 7:45AM - 5:45PM M-Th, first Fridays off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew Christensen can be reached at (703) 308-9644.
